XIII. The minority clans who are marginalized by those administrations should be welcomed and influenced.

XIV. The Wagerdha'a sub-clan of the Marehan should to be supported and hostilities promoted within other sub-clans of the Marehan.

XV. Fully fledged support should be extended to Gen. Morgan as a tool to destroy and disconnect the clan powerbase of the Key leaders who wield significant power within Somalia.

XVI. The political animosity with the Religious leaders who are in support of those administrations should be minimized.

XVII. The representatives in Puntland and Somaliland should furnish ideas on how best to restore the Islamic Courts and implements the enlisted decisions.

XVIII. Care has to be maintained all along to avoid leaking of this information

XIX. Whosoever leaks this information and is found guilty should be shot.

Finally, the representatives are advised to employ diplomacy in the execution of this decision and report on the activities progress including what was possible and the resources required.

Unity comes from Almighty Allah

Chief of the Imaam of the Islamic Courts

Shiikh Hassan Dahir Aweys (signed)
