X: ALTANTUYA SHAARIIBUU

Altantuya Shaariibuu was a Mongolian national who was murdered in October 2006, near Kuala Lumpur. This document released by WikiLeaks consisted of a sworn statement, signed by the editor of the website Malaysia Today, Raja Petra, concerning the murder. The statement was also published on the Malaysia Today website. Around the time of publication a close associate of the Malaysian deputy prime minister was on trial for abetting the murder. He was later acquitted.
