dislodge; it is unusual for ruling parties to diss their political rivals in the same measure.

Tellingly, even in 2014, the year Narendra Modi first won power as the challenger to Delhi's throne after ten years of the UPA being in power, the BJP's focus on its rival was less than half of what it was in 2019 (see Figure 6.2)—and that election was largely about anti-incumbency.
