eclecticism and universalism, in the land of its own birth. As the Hindu hymn (from the *Brihadaranyaka Upanishad)* says, in words that resonate with meaning for every human being on the planet:

Asato ma sad gamaya!
Tamaso ma jyotir gamaya!
Mrityor ma amritam gamaya!

Lead me from Untruth to Truth,
Lead me from darkness to light,
Lead me from death to immortality.
