[nn] The Qizilbash had been instrumental in the negotiations to free the hostages and had provided the necessary bribe which secured their release.

[oo] The Edens did however make an enduring name for themselves in New Zealand where the then capital was named after George, while the present cricket ground is named Eden Park. Lord Melbourne, the Prime Minister at the time, got his name on the map of Australia instead.

[pp] Mullah Omar is a distant relative of the first Afghan ruler of Southern Afghanistan, Mir Waiz Hotaki.

[qq] The International Security Assistance Force, established by the United Nations in 2001 and taken over by NATO in 2003.
