7 The Collective Security Treaty Organisation (CSTO) was established in 1992 and comprises Russia, Armenia, Belarus, Kazakhstan, Tajikistan, and Kyrgyzstan, with Afghanistan and Serbia joining as observers since 2013.

8 Bekkevold, Jo Inge and Sunniva Engh (2017), “Silk Road Diplomacy: China’s Strategic Interests in South Asia,” in Sten Rynning (ed.) *South Asia and the Great Powers: International Relations and Regional Security*. London: I.B. Tauris.

9 The Central Asia–South Asia power project, commonly known by the acronym CASA-1000, currently under construction, will allow for the export of surplus hydroelectricity from Kyrgyzstan and Tajikistan to Afghanistan and Pakistan. See The World Bank, “CASA 1000 Project.” Accessed 6 April 2020. http://projects.worldbank.org/P145054?lang=en.

10 The TAPI is a natural gas pipeline being developed, with participation of the Asian Development Bank, transporting natural gas from the Galkynysh Gas Field in Turkmeni-stan through Afghanistan into Pakistan and then to India. Construction on the project started in Turkmenistan in 2015.

11 The IPI pipeline project has been on the table for a number of years but has been delayed for different political and diplomatic reasons.
