39 China’s support to Pakistan is also referred to as geo-positional balancing; see Gar-lick, Jeremy (2018) “Deconstructing the China-Pakistan Economic Corridor: Pipe Dreams Versus Geopolitical Realities”, *Journal of Contemporary China*, Vol. 27, No. 112, pp. 519–533. Seen from Beijing, the geographic position of Pakistan, India’s enemy, “surrounding” India, was almost too good to be true.
