a frame of reference for interpreting Chinese behaviour in different settings and to offer some insights into China's unique philosophical and cultural traditions and the major currents of its history, which have formed the prism through which it views India and the world. I believe some understanding of these is essential to understand China's self-image, its current geopolitical ambitions and world view, and its perceptions of India.

As quoted in 'Introducing a Co-operative, April 15, 1958', Selected Works of Mao Tse-tung, marxists.org.

Santiniketan or its formal name, Vishwa-Bharati University was founded in 1921 by Nobel laureate Rabindranath Tagore. It became a centre for the arts and culture, exploring the affinities among Asian countries. A centre of Chinese Studies was set up with funding from the government of the ROC, known as Cheena Bhavan.
