largely unheeded by the rest of the government. From religion to education to culture, the disagreements would only grow worse over the next two years, amplified by an increasingly shortsighted and authoritarian prime minister.

“Israeli politics, to a great extent, is built as an inter-tribal zero sum game. One tribe, the Arabs, whether or not by its own choice, is not really a partner in the game,” Rivlin said. “The other three, it seems, are absorbed by a struggle for survival, a struggle over budgets and resources for education, housing, or infrastructure, each on behalf of their own sector.”
