Praise for *Illiberal Europe*

‘There is a rich tradition of diplomats being great historians and writers… With *Illiberal Europe* Leon Marc makes himself part of this tradition… A profound reflection of the contemporary history of Eastern Europe and the urgent lessons of that history to be learned for the whole of Europe’ – **ROB RIEMEN, Nexus Instituut**

‘Marc’s analysis is particularly valuable on the growing mutual incomprehension of “West” and “East” over what constitute European values’ – **ENDA O’DOHERTY*, Dublin Review of Books***

‘The political scene and the moral and cultural climate of the post-communist world are changing dramatically… Leon Marc’s deep and well-researched analysis of these countries’ ancient and recent history offers a reliable key to understanding these processes’ – **TOMÁŠ HALÍK, Charles University, Prague**

‘A very timely book, adding an additional, well-informed and persuasively argued integral perspective on the contemporary “tragedy of Central Europe”’ – **PROFESSOR MATEJ AVBELJ, Nova University, Ljubljana**

‘Comprehensively and concisely, Leon Marc’s book presents readers with vital insights into the different dimensions of our common European history and culture’ – **PROFESSOR DR JAAP W. DE ZWAAN, Director of the Netherlands Institute of International Relations, on *What’s So Eastern About Eastern Europe***

‘A critical reading of European history and an eye-witness report of pre-1989 citizen protests in the Eastern bloc highlight overlooked narratives and the undervalued potential of the region’ – ***VIENNA REVIEW*, on *What’s So Eastern About Eastern Europe***

‘This spirited, erudite polemic against the ignorant stereotyping and arbitrary lumping together of the former communist-ruled countries in Europe under the label of “Eastern Europe” is most timely’ – ***ROYAL INSTITUTE OF INTERNATIONAL AFFAIRS JOURNAL*, on *What’s So Eastern About Eastern Europe***
