94. Davis finished her doctoral work at Humboldt University in East Berlin. "It might be of some interest for you to know that she is getting her Ph.D., finally, in Germany. It will not require her to be in Germany—she can get it here and do the work here as well—but it is a very important matter to her" (Toni Morrison to Bernard Geis, August 2 1978, MS#1048, box 1157, RHC).

18. Mesch, *Modern Art at the Berlin Wall*, 49. In the United States, a different tenor around the cultural imagination of the Berlin Wall emerged. While the Wall continued to evoke cultural preoccupations with dangers of war and spy intrigue, a shift occurred during this time: the reemergence of cultural play and parody around the topic of Germany's division. In 1968, Hollywood director George Marshall released *The Wicked Dreams of Paula Schultz*, a slapstick comedy in which an East German track star, Schultz (played by Elke Sommer), pole vaults over the Berlin Wall to
