22. BBC News Politics, "David Ward summoned." The charge that those raising concerns about contemporary antisemitism are acting in bad faith to deflect criticism of Israel is itself antisemitic and has been called by some the "Livingstone Formulation"; see David Hirsh, "Accusations of malicious intent in debates about the Palestine-Israel conflict and about antisemitism: The Livingstone Formulation, 'playing the antisemitism card' and contesting the boundaries of antiracist discourse," *Transversal* (Graz, Austria) 1 (Jan. 2010): 47–77. This denial of contemporary antisemitism is commonplace in Britain.
