Dear JJ,

I write to express my thanks for the way I was conducted and looked after during my visit to 'Exercise Poorna Vijay' despite the harsh field conditions.

Apart from witnessing the operational preparedness of our armed forces, I had the opportunity to interact with the officers and men of 1 Corps.

Please convey my appreciation to all ranks under your command for their professional competence and dedication to the job at hand.

An good wishes,

Yours sincerely,

Jaswant Singh
