## Advance Praise for

# A SOLDIER'S GENERAL

*'The book is the story of a third-generation soldier, who works with integrity to reach the highest position in the Indian Army. I liked the message given to General J.J. Singh by his grandfather, Sepoy Atma Singh, that "Good leaders command respect and not demand it; respect has to be earned." I am sure the book will become a benchmark for soldiers and inspire the youth.'*

DR A.P.J. ABDUL KALAM,
former president of India

*'A brilliant account by one of our foremost soldiers in recent times. In this candid and straightforward memoir, J.J. Singh has recounted many interesting events of his life in uniform and as the governor of a sensitive state…'*

MARSHAL OF THE AIR FORCE ARJAN SINGH, DFC

*'India is lucky to have many outstanding generals. Amongst them General J.J. Singh, whose life, as that of his grandfather and father before him, has been one of exemplary dedicated service to India.'*

COLONEL VISCOUNT JOHN SLIM, *OBE,*
former British Indian Army Officer (Gorkha Rifles)

*'The nation holds the armed forces in the highest esteem. Soldier's General brings out vividly why it is so. A remarkable career is brilliantly unfolded, with candour and humility, bringing out the personality of a great soldier and leader.'*

T.S.R. SUBRAMANIAN,
former cabinet secretary
