hesitate to ask for help if you need it.

2.2 Source Code

You can download all sources codes on this book on https://www.github.com/agusk/ilmudata-book-laravel12.

If you want to use and run the projects in this book, make to install the following tools:

```
composer install
npm install
```

Then, you can run the project using `php artisan serve` command.

2.3 Feedback

If you have any specific questions or feedback about a particular hands-on lab book related to Laravel, feel free to ask and I'll do my best to assist you.

You can contact me on this email, agusk2007@gmail.com
