could wait so long, and who knew what would be worth waiting for. Viva, Mandela, Viva!”

— *Globe and Mail*

❖

“An engrossing tapestry of recent South African history that grips the reader from the first pages. . . . Riveting and sometimes painfully honest.”

— *San Francisco Chronicle*

❖

“One of the most extraordinary political tales of the 20th century, and well worth the investment for anyone truly interested in the genesis of greatness.”

— *Financial Times* (London)

❖

“A deeply touching chronicle of one of the remarkable lives of the twentieth century.”

— *Christian Science Monitor*

❖

“The work of a man who has led by action and example — a man who is one of the few genuine heroes we have.”

— *Kirkus*

❖

“Mandela writes with rare and moving candor.”

— *The Economist*

❖

“[It] movingly records the extraordinary life of Nelson Rolihlahla Mandela. . . . These pages come to dramatic life.”
