*I guess one of the great agonies of life is that we are constantly trying to finish that which is unfinishable. We are commanded to do that. And so we, like David, find ourselves in so many instances having to face the fact that our dreams are not fulfilled.*

*Life is a continual story of shattered dreams. Mahatma Gandhi labored for years and years for the independence of his people. But Gandhi had to face the fact that he was assassinated and died with a broken heart, because that nation that he wanted to unite ended up being divided between India and Pakistan as a result of the conflict between the Hindus and the Moslems.*

*Woodrow Wilson dreamed a dream of a League of Nations, but he died before the promise was delivered.*
