contain within themselves the seeds of further learning which can lead to better technology, and eventual y, to a high level of success. These people were also great dreamers and their dreams final y culminated in spectacular achievements. I feel that if we consider the combined technological strength of al these scientific institutions, it would certainly be comparable to the best found anywhere in the world. Above al , I have had the opportunity of working with the great visionaries of the nation, namely Prof. Vikram Sarabhai, Prof. Satish Dhawan and Dr Brahm Prakash, each of whom have greatly enriched my life.

A nation needs both economic prosperity and strong security for growth and development. Our Self Reliance Mission in Defence System 1995– 2005 wil provide the Armed Forces with a state-of-the-art competitive weapons system. The Technology Vision – 2020 plan wil put into place certain schemes and plans for the economic growth and prosperity of the nation. These two plans have evolved out of the nation’s dreams. I
